OF
AXIe CONSORTIUM, INC.

ARTICLE I
NAME, PURPOSE AND OFFICES

Section 1.1 Name

The name of the corporation is “AXIe Consortium, Inc.” and the corporation is referred to in these By-laws as the “Consortium”.

Section 1.2 Principal Office

The principal office of the Consortium shall be located at 361 Second Ave., Suite 203; PO Box 1016; Niwot, CO 80544-1016. The Board of Directors of the Consortium (the “Board of Directors”) is hereby granted full power and authority to change its principal office from one location to another both within and without said state.

Section 1.3 Other Offices

Branch or subordinate offices may at any time be established by the Board of Directors at any place or places.

Section 1.4 Purpose

The nature of the business or purposes to be conducted or promoted by the Consortium is to engage in any lawful act or activity for which corporations which are organized not for profit may be organized under the General Corporation Law of Delaware. The primary purpose of the Consortium is to promote the development and adoption of open, accessible standards, specifications and solutions relating to (1) the general-purpose functional test, measurement and data acquisition, and (2) semiconductor instrumentation and test industries (“Specifications”); to promote such Specifications worldwide; to provide for testing and conformity assessment of implementations in order to ensure and/or facilitate compliance with Specifications; to operate a branding program based upon distinctive trademarks to create high customer awareness of, demand for, and confidence in products designed in compliance with Specifications; and to undertake such other activities as may from time to time be appropriate to further the purposes and achieve the goals set forth above.

The Consortium intends to engage in some or all of the following activities: (a) drive the development of, disseminate, support and maintain the Specifications, (b) develop and/or fund the development of interoperability and/or certification tests, (c) administer or subcontract testing services, (d) to create and own distinctive trademarks, service marks and/or certification marks, (e) administer or subcontract a branding program, (f) create various printed and/or electronic materials for distribution to members and non-members, (g) maintain its own website, (h) coordinate the promotion of Specifications among members and non-members, as well as create basic marketing promotional collateral (e.g., both web pages as well as tangible materials), (i) maintain relations with, and leverage off of standards developed by, other standard setting organizations and industry consortia to ensure coherence among specifications maintained by the Consortium and such other organizations, and (i) undertake those other activities which its Board of Directors may from time to time approve.

Section 1.5 Nonprofit Status

(a) The Consortium is organized and shall be operated as a non-stock, not for profit membership corporation organized under the General Corporation Law of the State of Delaware.

(b) The Board of Directors may, in its sole discretion, elect to seek exemption from Federal taxation for the Consortium pursuant to Section 501(c)(6) of the Internal Revenue Code of 1986, as amended (hereinafter, the "Code"). In the event that such exemption is sought and until such time, if ever, as such exemption is denied or lost, the Consortium shall not knowingly engage directly or indirectly in any activity that it believes would be likely to invalidate its status as an organization exempt from federal income taxation under Section 501(c)(6) of the Code as an organization described in Section 501(c)(6) of the Code. All references to the Code contained herein are deemed to include corresponding provisions of any future United States Internal Revenue Law.

ARTICLE II

MEMBERS

Section 2.1 Classes of Membership

The Consortium shall have three classes of membership: Strategic Members, Advisory Members, and Associate Members. Additional classes of voting and non-voting members may be created in the future, and the rights of existing classes of members may be amended, in each case pursuant to Section 2.10 of these By-laws. Strategic Members, Advisory Members and any future classes of members that are entitled to voting rights shall be collectively referred to as "Voting Members." All Voting and non-voting memberships in the Consortium are collectively referred to in these By-laws as "Memberships", and a person or entity holding Membership is referred to in these By-laws as a "Member".

Section 2.2 General Conditions of Membership

Any association, partnership, organization, governmental agency, company, corporation, academic entity, or non-profit entity shall be admitted to Membership upon: (a) acceptance of its written application on such form as may be from time to time required by the Consortium (which acceptance shall be administered in a non-discriminatory fashion) and (b) unless otherwise provided by the Board of Directors, payment of such application fees, assessments, initiation fees (if any), annual dues or other fees for such class of Membership as may from time to time be established by the Board of Directors (collectively, "Fees"). A Member shall remain in good standing as a Member provided such Member is in compliance with the terms and conditions of the Consortium's Certificate of Incorporation, By-laws, Membership Application and such rules and policies as the Board of Directors and/or any committees thereof (each a "Board Committee") may from time to time adopt, including without limitation, timely payment of all Fees and penalties for late payment as may be determined by the Board of Directors (such Fees and penalties are collectively referred to in the By-laws as "Financial Obligations", and all of the foregoing good standing requirements are collectively referred to in the By-laws as "Membership Obligations").

Section 2.3 Privileges of Strategic Membership

Each Strategic Member, while in good standing, shall be entitled to:

- (a) designate and elect one representative to serve as a member of the Board of Directors in accordance with Section 4.3(a) (each member of the Board of Directors, a "Director");
- (b) nominate one employee representative to run for election as an officer of the Consortium (each an "Officer"); and
- (c) all rights of the Advisory Members other than those set forth in Sections 2.4(a)

and 2.4(b).

Section 2.4 Privileges of Advisory Membership

Each Advisory Member, while in good standing, shall be entitled to:

- (a) nominate one representative to serve as a Director;
- (b) participate in the election of Directors as provided for and subject to the limitations set forth in Section 4.3(b);
- (c) vote on each matter submitted to a general vote of the Voting Members;
- (d) nominate one representative to run for election as chairperson or vice-chairperson (if any) of any Committee of the Members (each a “Member Committee”) and Sub-Group thereof (as contemplated by Section 5.5(c)); and
- (e) appoint one voting representative, on a one vote per Member basis, to each Member Committee and Sub-Group thereof that the Consortium may establish and, subject to any limitations on attendance imposed by the Board of Directors, appoint non-voting representatives to each such Member Committee and Sub-Group.
- (f) all rights of the Associate Members other than those set forth in Sections 2.5(a)

Section 2.5 Privileges of Associate Membership

Each Associate Member, while in good standing, shall be entitled to:

- (a) appoint one non-voting representative to each Member Committee and Sub-Group thereof that the Consortium may establish;
- (b) attend all general and special meetings of the Membership provided for in Article III of these By-laws, provided, however, that only the Voting Members shall be entitled to vote at such meetings, except as specifically provided for in these By-laws, the Certificate of Incorporation or by law;
- (c) propose initiatives to be acted upon by the Consortium;
- (d) placement of a link to such Member’s Web site on the Consortium Web site

Section 2.6 Rights in Intellectual Property

All intellectual property submitted to or owned, adopted or created by the Consortium, including without limitation, any of the same which may be represented by any standards,

specifications, guidelines, policies, procedures or tests (collectively, “Intellectual Property”), shall be subject to such policies and procedures, including the Consortium’s Intellectual Property Rights Policy (the “IPR Policy”), as may from time to time be adopted by the Board of Directors.

Any such rules or policies adopted by the Board of Directors shall control all rights of ownership and publication relating to such Intellectual Property, the specific license rights which Members may be entitled to therein, and the fees (if any) which the Consortium may charge Members and third parties for access to and use of such Intellectual Property.

Section 2.7 Subsidiaries, Etc.

(a) Only the legal entity which has been accepted as a Member of the Consortium and its Subsidiaries (as defined below) shall be entitled to enjoy the rights and privileges of such Membership; provided, however, that such Member and its Subsidiaries shall be treated together as a single Member. For purposes of this Section, the term “Subsidiaries” shall mean all Related Companies (as defined below) that a Member owns, either directly or indirectly.

Only one Member which is part of a group of Related Companies shall be entitled to have a representative on the Board of Directors at one time. For purposes of these By-laws, the term “Related Company” shall mean any entity which controls or is controlled by a Member or which, together with a Member, is under the common control of a third party, in each case where such control results from ownership, either directly or indirectly, of more than fifty percent of the voting securities or membership interests of the entity in question; and “Related Companies” are entities that are each a Related Company of a Member.

(b) If a Member is itself a consortium, membership organization, user group or other entity that has members or sponsors, then the rights and privileges granted to such Member shall extend only to the paid representatives (employees and individuals serving on a contractor basis) of such Member, and not to its members or sponsors, unless otherwise approved by the Board of Directors in a specific case from time to time.

(c) Memberships shall be non-transferable, non-salable and non-assignable, except that any Member may transfer its Membership for the then current year to a successor to substantially all of its business and/or assets, whether by merger, sale or otherwise; provided that the transferee agrees to be bound by these By-laws, the Certificate of Incorporation and such policies and procedures as the Board of Directors may from time to time adopt.

Section 2.8 Additional Classes of Members

The conditions, privileges, powers, and voting rights (if any) of any class of Members may be changed, and one or more additional classes of Membership may be created, and the conditions, voting rights (if any), powers and privileges of each such class may be prescribed, by adoption of an amendment to these By-laws pursuant to Article XIV of the By-laws.

Section 2.9 Termination or Suspension of Membership

Any Member may be suspended from Membership or have its Membership terminated by the Board of Directors for failure to satisfy its Membership Obligations or for engaging in any conduct that is determined by the Board of Directors (on the bases of reasonable and nondiscriminatory rules) to be contrary to the interests of the Consortium or to the advancement of the Consortium's business or industry goals. Financial Obligations already paid shall not be refundable upon any termination or suspension, and all Financial Obligations of such Member which may be accrued and unpaid as of the date of such termination shall remain due and payable. Terminations or suspensions of Membership for failure to satisfy Financial Obligations or in accordance with Section 2.14, may be imposed with notice and without the right of formal appeal under such procedures as the Board of Directors may from time to time approve. Except as provided in the last paragraph of this Section 2.9 and/or Section 2.14, no termination or suspension of Membership for any other purpose shall be effective unless:

(a) The Member is given notice of the proposed termination or suspension of Membership and of the reasons therefore;

(b) Such notice is sent via email or delivered personally or by certified mail, return receipt requested, or by a national or international overnight courier service, sent to the last email address or mailing address of the Member shown on the Consortium's records;

(c) Such notice is given at least thirty days prior to the effective date of the proposed termination or suspension of Membership; and

(d) Such notice sets forth a procedure determined by the Board of Directors (or other body authorized by the Board of Directors) to decide whether or not the proposed termination or suspension shall take place, whereby the Member is given the opportunity to be heard by such body, either orally (and represented by counsel if the Member so desires, at its sole cost and expense) or in writing, not less than five days before the effective date of the proposed termination or suspension.

Notwithstanding the foregoing, in the event that the Board of Directors believes in good faith that a Member is engaging in willful misconduct to the material detriment of the best interests of the Consortium and its Members, the Board of Directors may suspend such Member's Membership immediately, provided that such Member is otherwise afforded the protections provided for in subsections (a), (b) and (d) of this Section 2.9.

Section 2.10 Resignation by Member

A Member may resign as a Member at any time. Any Financial Obligations already paid by such Member shall not be refundable in such event, and all such Financial Obligations of such Member which may be accrued and unpaid as of such date shall remain due and payable.

Section 2.11 Membership Book

The name and address of each Member shall be contained in a membership book to be

maintained at the principal office of the Consortium (the “Membership Book”). Termination of any Membership shall be recorded in the book together with the date of such termination. Each Member shall be responsible for apprising the Consortium in writing of all changes to its name and address, and of the names and addresses of all representatives of such Member appointed to be members of Member Committees designated by such Member in its application for Membership or to receive notices or to vote on behalf of such Member.

Section 2.12 Levy of Dues, Assessments or Fees

(a) The Consortium may levy dues, assessments or fees upon its Members in such amounts as may be approved from time to time by the Board of Directors, but a Member upon learning of any increase in dues, or of any levy of any assessments or fees, may avoid liability therefor by resigning from Membership prior to the date such dues, assessments or fees are due and payable, except where the Member is, by contract with the Consortium or otherwise, independently and explicitly liable for such dues, assessments or fees. No provision of the Certificate of Incorporation or By-Laws of the Consortium authorizing such dues, assessments or fees shall, of itself, create such liability. In no event shall the failure of a Member to pay any dues or assessments give rise to any claim in favor of the Consortium for indirect or consequential damages.

(b) Subject to the approval of the Board of Directors, the Chairperson of the Consortium (the “Chairperson”) shall be permitted, in his or her discretion, to exchange Memberships of the Consortium with other consortia, trade associations and similar non-profit organizations on a no-fee or reduced-fee basis, where the Board of Directors determines that such cross membership is in the best interests of the Consortium and its Members.

Section 2.13 Use of Names

Neither the Consortium nor any Member shall use the name of the other in any form of publicity without the written permission of the other, provided that the Consortium and any Member may each disclose and publicize such Member’s Membership in the Consortium. Notwithstanding the foregoing, if the Consortium has not made a filing under the National Cooperative Research and Production Act of 1993, as amended, a Member may request that its Membership not be disclosed if it makes a written request to such effect at the time of application to the Consortium for Membership.

Section 2.14 Technical Initiative Restriction Policy

(a) The Board of Directors may immediately suspend, terminate, or restrict the Membership of any Member or the participation in Consortium activities of any Member representative in the event the Board of Directors determines that the continued Membership of such Member or participation of such representative may cause the Consortium or any of its Members to be in violation of any applicable law, or if the member is located in a country or region where export restrictions have been implemented.

(b) Without limiting the foregoing, the Board of Directors may immediately terminate

or suspend the participation on the Board of Directors, any Committee or any Working Group, and/or access to any nonpublic technology or other technical materials, documents or other information of the Consortium or its Members, of any Member or Member representative that either

(i) is located in, or a national, citizen or permanent resident of any country or region that is currently subject to U.S. sanctions or export control laws or regulations, where the Board of Directors determines that the failure to impose such suspension, termination or restriction may cause the Consortium or any of its Members to be in violation of any such sanctions, laws, or regulations, or

(ii) is a person or entity identified by the U.S. government as a "Specially Designated National" (SDN), "Blocked Person," or otherwise subject to restrictions under applicable U.S. sanctions, laws, or regulations, or is directly or indirectly, in the aggregate, controlled or 50% or more owned by any such person or entity.

(c) Any determination, termination, suspension, or restriction pursuant to preceding clause (a) or (b) may be evaluated by the Board of Directors with advice of Consortium legal counsel and in accordance with corresponding U.S. laws, regulations, and guidelines. If upon conclusion of such evaluation, it is found that such determination, termination, suspension, or restriction was not required by any applicable U.S. sanction, law, or regulation, such termination, suspension or restriction may be lifted in whole or in part by affirmative vote or consent of a majority of the members of the Board of Directors then in office.

ARTICLE III

MEETINGS OF MEMBERS

Section 3.1 Place of Meetings

All meetings of the Members shall physically be held at such place within or without the State of Delaware, or as may otherwise be permitted by law, and at such time as may be fixed from time to time by the Board of Directors or Chairperson, or if not so designated, at the registered office of the Consortium.

Section 3.2 Annual Meeting

Annual meetings of Members ordinarily shall be held by written consent pursuant to Section 3.10. Notwithstanding the foregoing, however, the Board of Directors may call any annual meeting to be held in person and each such meeting, once called, shall take place on the second Tuesday in November of the applicable year, if not a legal holiday, and if a legal holiday, then on the second secular day following, at 10:00 a.m. local time, or at such other date and time as shall be designated from time to time by the Board of Directors or the Chairman. Pursuant to such written consent, or at such meeting, as applicable, the Voting Members shall elect a Board of Directors in accordance with Section 4.3 and shall transact such other business as may properly be addressed by written consent, or at such meeting, as applicable. If no annual meeting is held (and no annual consent has been executed) in accordance with the foregoing provision, the Board of Directors shall cause a meeting to be held as soon thereafter as convenient, which meeting shall be designated a special meeting in lieu of annual meeting.

Section 3.3 Special Meetings

Special meetings of the Members, for any purpose or purposes, may, unless otherwise prescribed by statute or by the Certificate of Incorporation, be called by the Board of Directors, the Chairperson or the Executive Director at the request in writing of a majority of the Directors then in office, or at the request in writing of Voting Members entitled to vote at least ten percent of the aggregate votes of all Voting Members. Such request shall state the purpose or purposes of the proposed meeting. Business transacted at any special meeting shall be limited to matters relating to the purpose or purposes stated in the notice of meeting.

Upon request by any person or persons entitled to call a special meeting of the Voting Members, the Chairperson of the Board of Directors (the “Chairperson”) (if any), any Vice-Chairperson or the Executive Director shall, within thirty days after receipt of the request, cause notice to be given to the Voting Members entitled to vote at such meeting that a special meeting will be held at a time chosen by the Board of Directors, but not less than thirty-five nor more than ninety days after receipt of such request.

Section 3.4 Notice of Meetings

Except as otherwise provided by law or these By-laws, written notice of each meeting of the Members, annual or special, stating the place, date and hour of the meeting, and, in the case of a special meeting, the purpose or purposes for which the meeting is called, and such other information as may be required by law shall be given not less than ten nor more than sixty days before the date of the meeting, to each Member entitled to attend such meeting.

Section 3.5 Voting List

The Officer who has charge of the Membership Book of the Consortium shall prepare and make a complete list of the Members entitled to vote at the meeting, arranged in alphabetical order, and showing the address of each such Member. Nothing contained in this Section shall require the Consortium to include electronic mail addresses or other electronic contact information on such list. Such list shall be open to the examination of any Member, for any purpose germane to the meeting, for a period of at least ten days prior to the meeting: (i) on a reasonably accessible electronic network, provided that the information required to gain access to such list is provided with the notice of the meeting, or (ii) during ordinary business hours, at the principal place of business of the Consortium. In the event that the Consortium determines to make the list available on an electronic network, the Consortium may take reasonable steps to ensure that such information is available only to Members of the Consortium. The list shall be produced and kept at the time and place of the meeting during the whole time thereof, and may be inspected by any Member who is present.

Section 3.6 Quorum

Except as otherwise provided by statute, the Certificate of Incorporation or these By-laws, Voting Members entitled to vote more than fifty percent of the aggregate votes of all Voting Members (or such higher percentage of Voting Members as may be required by law, these By-laws or the Certificate of Incorporation to approve any action to be taken at such meeting), present in person or represented by proxy, shall constitute a quorum at all meetings of the Members for the transaction of business. Member Committees shall have the same rules relating to quorum requirements and voting majorities as provided for in these By-laws, unless otherwise approved by the affirmative vote of the Board of Directors.

Section 3.7 Adjournments

Any meeting of Members may be adjourned from time to time without notice to any other time and to any other place at which a meeting of Members may be held under these By-laws or by law if the time and place of such adjourned meeting, the means of remote communications, if any, by which Members may be deemed to be present in person and vote at such adjourned meeting and such other information as may be required by law are announced at the meeting at which the adjournment is taken. Such adjournment shall be approved by a majority of the Voting Members present in person or represented by proxy and entitled to vote at such meeting (regardless of whether a quorum is present), or, if no Voting Member is present or represented by proxy, by any Officer entitled to preside at or to act as Secretary of such meeting.

At any reconvened meeting following such an adjournment the Consortium may transact any business which might have been transacted at the original meeting. If the adjournment is for more than thirty days, or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to all Members.

Section 3.8 Action at Meetings

(a) Unless the question is one upon which, by express provision of law, the Certificate of Incorporation or these By-laws, a different vote is required (in which case such express provision shall govern and control the decision of such question), when a quorum is present at any meeting of Members, the vote of more than fifty percent of the aggregate votes of all Voting Members, present in person or represented by proxy and entitled to vote on the question, shall decide any question brought before such meeting.

(b) Notwithstanding Section 3.8(a), in the event that any vote is to be taken of a single class of Voting Members, then a quorum for such vote shall be not less than fifty percent of the Voting Members of that class, and when such quorum is present, the vote of more than fifty percent of the aggregate votes of the Voting Members of that class present in person or represented by proxy and entitled to vote on the question, shall decide such question.

Section 3.9 Proxies

Each Member entitled to vote with respect to any corporate action at a meeting of Members, or to express consent or dissent to any corporate action in writing without a meeting, may authorize another person or persons to act for him or her by proxy, but no such proxy shall be voted or acted upon after three years from its date, unless the proxy provides for a longer period. Without limiting the manner in which a Member may authorize another person or persons to act for such Member as proxy pursuant to this Section, the following shall constitute valid means by which a Member may grant such authority:

(a) A Member may execute a writing authorizing another person or persons to act for such Member as proxy. Execution may be accomplished by the Member or such Member's authorized officer, director, employee or agent signing such writing or causing such person's signature to be affixed to such writing by any reasonable means including, but not limited to, by facsimile signature.

(b) A Member may authorize another person or persons to act for such Member as proxy by transmitting or authorizing the transmission of a telegram, cablegram, or other means of electronic transmission to the person who will be the holder of the proxy or to a proxy solicitation firm, proxy support service organization or like agent duly authorized by the person who will be the holder of the proxy to receive such transmission, provided that any such telegram, cablegram or other means of electronic transmission must either set forth or be submitted with information from which it can be determined that the telegram, cablegram or other electronic transmission was authorized by the Member. If it is determined that such

telegrams, cablegrams or other electronic transmissions are valid, the inspectors or, if there are no inspectors, such other persons making that determination shall specify the information upon which they relied.

Section 3.10 Action Without Meeting

Any action required or permitted to be taken at any annual or special meeting of Members, or at any meeting of a Member Committee, Sub- Group thereof or other group of Members or subset of Members, may be taken without prior notice and without a vote, if a consent in writing, setting forth the action to be taken, shall be signed by Members (or all members of a class of Members, as the case may be) making up not less than that percentage of all Members as would be necessary to authorize or take such action at a meeting at which all Members (or class of Members, as the case may be) entitled to vote thereon were present and voted. Prompt notice of the taking of any corporate action without a meeting by less than unanimous written consent shall be given to those otherwise entitled to vote thereon who have not consented in writing. An electronic transmission consenting to an action to be taken and transmitted by a Member or proxyholder, or by a person or persons authorized to act for a Member or proxyholder, shall be deemed to be written, signed and dated for the purposes of this Section, provided that any such electronic transmission sets forth or is delivered with information from which the Consortium can determine (A) that the electronic transmission was transmitted by the Member or proxyholder or by a person or persons authorized to act for the Member or proxyholder and (B) the date on which such Member or proxyholder or authorized person or persons transmitted such electronic transmission. The date on which such electronic transmission is transmitted shall be deemed to be the date on which such consent was signed. No consent given by electronic transmission shall be deemed to have been delivered until such consent is reproduced in paper form and until such paper form shall be delivered to the Consortium by delivery to its registered office in Delaware, its principal place of business or an Officer or agent of the Consortium having custody of the book in which proceedings of meetings of Members are recorded. Delivery made to the Consortium's registered office shall be made by hand or by certified or registered mail, return receipt requested. Notwithstanding the foregoing limitations on delivery, consents given by electronic transmission may be otherwise delivered to the principal place of business of the Consortium or to an Officer or agent of the Consortium having custody of the book in which proceedings of meetings of Members are recorded if, to the extent and in the manner provided by resolution of the Board of Directors of the Consortium.

Any copy, facsimile or other reliable reproduction of a consent in writing may be substituted or used in lieu of the original writing for any and all purposes for which the original writing could be used, provided that such copy, facsimile or other reproduction shall be a complete reproduction of the entire original writing.

Section 3.11 Nomination and Election Procedures

Subject to the provisions of Section 4.3, the Board of Directors shall establish reasonable nomination and election procedures given the nature, size, and operations of the Consortium, including a reasonable means for Members of appropriate classes to nominate a person for

election as a Director, a reasonable opportunity for a nominee to communicate to the Members the nominee's qualifications and the reasons for the nominee's candidacy (if requested by such nominee), a reasonable opportunity for all nominees to solicit votes (if requested by any such nominee), and a reasonable opportunity for all Members entitled to vote thereon to choose among the nominees.

Section 3.12 Order of Business

The order of business at all meetings of Members shall be as determined by the presiding Officer, but the order of business to be followed at any meeting at which a quorum is present may be changed by a vote of the Voting Members.

ARTICLE IV

DIRECTORS

Section 4.1 Powers; Voting

The business and affairs of the Consortium shall be managed by its Board of Directors, which shall be, and shall possess all of the powers of, the “Governing Body” of the Consortium as a not-for-profit membership corporation under Delaware General Corporation Law. The Board of Directors may exercise all powers of the Consortium and do all such lawful acts and things as are not by statute or by the Certificate of Incorporation or by these By-laws directed or required to be exercised or done by the Members.

Section 4.2 Number of Directors

The total number of Directors shall be at least six and not more than twelve, provided, however, that until the inaugural meeting of the Voting Members, and at all times during which the number of Strategic Members is less than six, the total number of Directors shall be at least two and may be less than six.

Section 4.3 Nomination, Election and Term of Office of Directors

(a) Each of the first eight Strategic Members (while remaining in good standing) shall be entitled individually to nominate and elect one Director (each, a “Strategic Director”). Each Strategic Director shall have a term of one year, and thereafter, until his or her successor shall be duly elected and qualified or until his or her earlier resignation or removal, and the right of each Strategic Member to nominate and elect one Director shall continue for so long as such Strategic Member remains a Member in good standing at the level of Strategic Member.

(b) So long as the number of Advisory Members in good standing is at least three, the Advisory Members, voting together as a class, shall have the right to elect one Director. So long as the number of Advisory Members in good standing is at least eleven, the Advisory Members, voting together as a class, shall have the right to elect a total of two Directors (each Director referred to in this Section 4.3(b) an “Advisory Director”). So long as the number of Advisory Members in good standing is at least twenty-one, the Advisory Members, voting together as a class, shall have the right to elect a total of three Directors (each Director referred to in this Section 4.3(b) an “Advisory Director”). So long as the number of Advisory Members in good standing is at least thirty-one, the Advisory Members, voting together as a class, shall have the right to elect a total of four Directors (each Director referred to in this Section 4.3(b) an “Advisory Director”). Each Advisory Director shall have a term of one year, and thereafter, until the next annual meeting of the Members (regardless of any change in the number of Advisory Members during such term), and the selection of nominees for such positions shall be performed under such nominating procedures as may be set by the Board of Directors from time

to time.

(c) Each Director shall hold office until the earliest to occur of (i) the expiration of the term for which such Director was elected or appointed, as the case may be, and such Director's successor is elected and qualified, (ii) the expiration or termination of Membership of the Member that designated such Director (if so designated), (iii) the death, resignation or removal of such Director, (iv) the combination, by merger, acquisition or otherwise, of two Members that each have representatives on the Board of Directors, upon which event one of the two representatives, as designated by the surviving Member, shall be deemed to have resigned or (v) if requested by the Board of Directors, upon the termination of the employment of such Director by the Member represented by such Director. In addition, during such times as the Membership of any Member that has a representative serving as a Director is suspended pursuant to Section 2.10 above, the attendance and voting rights of such Director representative shall also be suspended until such time, if ever, as such suspension is lifted. Each Director may, but shall not automatically, be nominated and elected for additional one-year terms. At no time shall any Member be represented by more than one Director.

(d) Each Director (or the Member that designated or is the employer of such Director) may designate in writing (which designation may be withdrawn in writing at any time by such Director or Member) an individual to act as a Director in his or her stead, whether for a single meeting or as a standing alternate. Any such alternate Director shall be entitled to (i) attend and vote at all meetings which the designating Director does not attend, (ii) sign all written consents in lieu of the designating Director, and (iii) otherwise exercise the duties and enjoy the privileges of the designating Director in the absence or unavailability of the designating Director. In addition, in lieu of making such a substitution, any Director who will be absent for any meeting may deliver a written proxy to the Chairperson, authorizing the Chairperson to either vote as instructed in such proxy, or to vote in the stead of such absent Director in such manner as the Chairperson may believe appropriate. Any such proxy shall be valid only with respect to the meeting and such specific matters (or with respect to all matters, if so desired) as may be stated in such proxy.

(e) The Board of Directors may approve from time to time such reasonable attendance and other requirements as it shall deem to be advisable to ensure that seats on the Board of Directors are held by active, contributing individuals. Such rules may provide that any Member which has elected or nominated a Director, as the case may be, may lose its ability to elect and/or nominate a representative to the Board of Directors in the event that such requirements have not been met, and/or that a Director who fails to meet such requirements shall automatically be deemed to have resigned from the Board of Directors, but no such rule may be imposed retroactively.

Section 4.4 Enlargement or Reduction

Subject to Section 2.9 above, the number of Directors, the persons eligible to become Directors and the classes of Members eligible to elect and/or nominate Directors may be amended at any time by a vote of the Board of Directors or by a vote of the Voting Members.

Section 4.5 Resignation and Removal

Any Director may resign at any time upon notice to the Consortium in writing or by electronic transmission at the principal place of business of the Consortium or to the Chairperson or Executive Director. Such resignation shall be effective upon receipt unless it is specified to be effective at some other time or upon the happening of some other event. Any Director who was designated by a Member under Section 4.3 may be removed by that Member. Any or all of the Directors who were elected by a class of Members voting as a class or by the Board of Directors may be removed by a majority vote of such class of Members or Board of Directors, respectively. Unless otherwise specified by law or the Certificate of Incorporation, any Director may be removed by a majority of the other Directors then in office for engaging in any conduct, either within or without the Consortium, that is contrary to the interests of the Consortium or to the advancement of the Consortium's business or industry goals; provided, however, that the Member or class of Members that designated and elected or nominated and elected (as the case may be) such removed Director shall be entitled to designate and elect or nominate and elect (as the case may be) a replacement for such removed Director to serve for the balance of such removed Director's term.

(b) Notwithstanding the foregoing, the ability of two or more non-consenting Directors to prevent the taking of an action by written consent under clause 4.11(a)(iii) above shall not prevent any such action from being taken at a later date at an actual meeting of the Board of Directors.

The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the Consortium, and, with respect to any criminal action or proceeding, had reasonable cause to believe that his or her conduct was unlawful.

Section 8.2 Actions by or in the Right of the Consortium

Section 8.3 Success on the Merits

To the extent that any person described in Section 8.1 or 8.2 of this Article VIII has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in said Sections, or in defense of any claim, issue or matter therein, he or she shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him or her in connection therewith.

Section 8.4 Specific Authorization

Any indemnification under Section 8.1 or 8.2 of this Article VIII (unless ordered by a court) shall be made by the Consortium only as authorized in the specific case upon a determination that indemnification of any person described in said Sections is proper in the circumstances because he or she has met the applicable standard of conduct set forth in said Sections. Such determination shall be made (1) by a majority vote of a such Directors who were not parties to such action, suit or proceeding, even though less than a quorum or (2) by the Members of the Consortium.

Section 8.5 Advance Payment

Expenses incurred in defending a civil or criminal action, suit or proceeding may be paid by the Consortium in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of any person described in said Section to repay such amount if it shall ultimately be determined that he or she is not entitled to indemnification by the Consortium as authorized in this Article VIII.

Section 8.6 Non-Exclusivity

The indemnification and advancement of expenses provided by, or granted pursuant to, the other Sections of this Article VIII shall not be deemed exclusive of any other rights to which those provided indemnification or advancement of expenses may be entitled under any By-law, agreement, vote of Voting Members or disinterested Directors or otherwise, both as to action in his or her official capacity and as to action in another capacity while holding such office.

another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against him or her and incurred by him or her in any such capacity, or arising out of his or her status as such, whether or not the Consortium would have the power to indemnify him or her against such liability under the provisions of this Article VIII.

Section 8.9 Continuation of Indemnification and Advancement of Expenses

The indemnification and advancement of expenses provided by, or granted pursuant to, this Article VIII shall continue as to a person who has ceased to be a Director, Officer, employee or agent of the Consortium and shall inure to the benefit of the heirs, executors and administrators of such a person.
